What is Show My Homework?

A simple online homework calendar showing homework information, deadlines and attachments for students.

From 7th September, all homework will be displayed online, using Show My Homework.

The image displays two views of the Show My Homework system. On the left is a desktop browser view of the homework calendar for the week of 13th-19th October 2014. The calendar is organized by day (Monday to Friday) and lists homework tasks with subject, teacher, and a deadline count. On the right is a smartphone displaying the 'To-do List' app, which shows a list of tasks with completion status and subject filters.
