

Alcester Grammar School - A Level Drama & Theatre

Live Theatre Task -

In order for us to consider your application for Drama & Theatre A Level we ask you to complete a written task in order to gauge your suitability for the course. This task needs to be submitted by Monday 28th February 2022 (4pm) via email - a.swan@alcestergs.com - These tasks will be considered when allocating places onto this popular course.

Please write an essay of no less than 2 A4 sides of word processed text referencing a live production that you have seen recently addressing the following statement -

“Live theatre has nothing to say to the youth of today”

Please comment on performance **and** technical aspects e.g. lighting, sound and set and make sure that you focus on the analysis and evaluation of specific production moments that were effective and offer **balanced consideration** in response to the statement. If you have been unable to attend a live performance please contact me on the email address below and I will provide you with a digital production to write your response on.

Any questions or concerns please contact Ms Swan in the Drama Department
