

Principal's UPDATE

10th June 2022

Dear Parents and Carers,

On Monday this week it was a great privilege and honour to join AGS as Principal. The week has been everything that I could have hoped for (and much more!), and I would very much like to thank staff, students, parents and the wider community for the warm welcome that I have received. I have had the opportunity to observe lessons (for those not involved with trips or exams) and also to talk more informally with students and staff. Students have been polite, curious and engaged with their education - their commitment to, and excitement around learning is palpable.

Away from lessons, this week has also been an excellent demonstration of the vast array of super and extra-curricular provision at AGS. Please do take a look at the photos over the page to sample just some of the many activities in which students have participated.

Finally, thank you to all parents who completed the survey before my arrival. Your views have been hugely appreciated. The data collected is already feeding into our discussions about 'where next' for AGS in 2022/23.

I look forward to meeting you all in due course, starting with any parents joining us on Monday evening next week for the Year 7 Parent Information Evening.

Best wishes,
