

## Alcester Grammar School Admissions Policy 2025/2026

### 1. General

- 1.1. Alcester Grammar School is a co-educational 11-18 maintained selective academy, designated as a grammar school under Section 104 of the School Standards and Framework Act (1998). The Governing Board of the Academy Trust is the Admission Authority and as such has formal responsibility for determining admission arrangements.
- 1.2. This policy has been drawn up to meet the requirements of the Department for Education School Admissions Code 2021.

### 2. Year 7 Entry

- 2.1. **Introduction:** Admission to this school in Year 7 will be determined by a child's performance in the Entrance Test (sometimes referred to as "the 11+" or "the selection test") and the school's oversubscription criteria. The Governing Board participates in Warwickshire County Council's co-ordinated admissions scheme for maintained secondary schools, and Warwickshire County Council's Admissions Service (Warwickshire Admissions) is contracted to administer the Year 7 admissions policy and procedures on the school's behalf.

For 2025, the Governors have determined, in line with the Admissions Code, that the Published Admission Number (PAN) in Year 7 will be 150.

#### 2.2. Eligibility and Oversubscription Criteria for Entry in Year 7

- 2.2.1. **Priority Area:** The priority area for Alcester Grammar School is based on a circle with a radius of 16.885 miles drawn from the Fountain in Rother Street, Stratford-upon-Avon to the County boundary south of Long Compton. Any evidence to prove that the child is resident within the priority area should be provided by the deadline of **11:59pm on 31st December 2024**.

Warwickshire Admissions will require, on behalf of the school, evidence of the applicant's home address. Parents/carers will be notified each time this is required. The Admissions Service may also carry out a home visit to the family to further verify an applicant's address. The school reserves the right to withdraw the offer of a place if it is satisfied that the offer has been made on the basis of an incorrect, fraudulent or misleading application.

**2.2.2. Registration for the 11+ Test:** The applicant must have been registered for the 11+ test by the deadline of **16:00 pm on Friday 28th June 2024** and completed that test; and the parent/carer must have named the school on the Common Application Form, which must have been submitted on time to the home authority.

Where a registration for the 11+ test is submitted after the published closing date, the school will give consideration to treat such as on time where exceptional circumstances can be evidenced. This includes, but is not limited to, children who move into, or within, Warwickshire by the local authority's extended application deadline of 31 December 2024.

Additionally, children who are unable to sit the test on the main session dates for religious reasons, illness or other evidenced circumstances, will still be classed as on time and will be invited to sit the 11+ test at a later date. Evidence of such circumstances must be provided to the local authority prior to a supplementary test date being scheduled. In such circumstances, as outlined above, a test date may not be confirmed immediately but will be scheduled to take place before 31 January 2025 so that the child's application can still be considered as part of the coordinated admissions scheme. Parents/carers are asked to contact Warwickshire Admissions or The Grammar Schools in Birmingham in these circumstances.

Late candidates will be tested before 10th March 2025.

**2.2.3. Candidate age:** If your child was born between 01 September 2013 and 31 August 2014 you may apply for them to sit the test for entry in September 2025. Children who are educated in Year 6 during the 2024/25 academic year are eligible to sit the 2025 entry 11+ test. Where such children have a date of birth outside of the range stated above, the local authority's 'Educated out of Year Group' process must be followed. Candidates may sit the entrance examination once only.

#### **Oversubscription Criteria:**

**2.2.4.** There is no guarantee of a place being available, but places up to the Published Admission Number (PAN) during the normal round of admissions (ie: the first round of offers published on 1 March 2025) will be allocated to children in the following order, where they meet the necessary academic and eligibility entry requirements, assuming that an offer from a higher preference has not been made. Those with the highest scores in each category will be given highest priority for a place.

To differentiate in the case of children with the same score in any of the following categories, those who live nearest the school in a straight-line distance will be given highest priority.<sup>1</sup> In the case of a tie-break situation where more than one child has achieved the same score, and where all home to school distances are equal, and there are not enough spaces to offer all applicants who fulfil the relevant criteria, the remaining place(s) will be allocated using a computerised random number generator. This process will be carried out by Warwickshire Admissions on behalf of the school, in the presence of a witness from Legal Services who is independent of the school and the admissions process.

---

<sup>1</sup> Distance from home to school will be measured from the address point location coordinate of the home address (as set by Ordnance Survey) to the centroid of the school. The centroid is a predetermined point.

The above will also apply to the waiting list after 1 March 2025.

2.2.5. During the Local Review Process, the Committee of Reference will set for this school, for this particular year of entry, both the automatic qualifying score and the score for the required minimum academic standard used for the waiting list.

2.2.6. Children with an Education, Health and Care Plan (EHCP)<sup>2</sup> that names the school will be admitted first, subject to them achieving the required Minimum Academic Standard or above for the school for this particular year of entry. In this event the number of places that remain for allocation will be reduced. Please see section 2.3.4 regarding arrangements for students with Special Educational Needs taking the Entrance Test at Year 7. Similar arrangements apply to in-year transfers and admissions to the Sixth Form.

2.2.7. Categories 1 - 5 below relate to children whose 11+ registrations and secondary school applications have been received on time.

2.2.7.1. **Category 1:** Looked-After<sup>3</sup> or Previously Looked-After Children<sup>4</sup> who achieve the required Minimum Academic Standard or above for this school for this particular year of entry.

2.2.7.2. **Category 2:** Children who live within the priority circle who attract the Pupil Premium via eligibility for Free School Meals<sup>5</sup> who achieve either the Automatic Qualifying Score or above for this School, for this particular year of entry, or who score up to 15 marks below the Automatic Qualifying Score. Up to twenty places only will be offered in this category (including any re-offers which are made from the waiting list in this category after 1st March 2025).

Warwickshire Admissions will require, on behalf of the School, evidence of Pupil Premium eligibility and the School reserves the right to withdraw the offer of a place if the offer has been made on the basis of an incorrect, fraudulent or misleading application.

2.2.7.3. **Category 3:** Children who live in the priority area who achieve the Automatic Qualifying Score or above for this school, for this particular year of entry.

2.2.7.4. **Category 4:** Children living outside of the priority area who achieve the Automatic Qualifying Score or above for this school, for this particular year of entry.

---

<sup>2</sup> An Education, Health and Care Plan is a plan made by the Local Authority under Section 37 of the Children and Families Act 2014 specifying the educational provision required for that child.

<sup>3</sup> A Looked-After Child is one who is in the care of the Local Authority or being provided with accommodation by a local authority in the exercise of their social services functions, as defined by section 22(1) of the Children Act 1989.

<sup>4</sup> A Previously Looked-After Child is a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. This includes children who were adopted under the Adoptions Act 1976 (Section 12) and those adopted under the Adoption and Children Act 2002 (Section 46). Child arrangement orders are defined in Section 8 of the Children Act 1989, as amended by Section 12 of the Children and Families Act 2014. Special guardianship orders are defined in Section 14A of the Children Act 1989.

<sup>5</sup> A Looked-After Child is one who is in the care of the Local Authority or being provided with accommodation by a local authority in the exercise of their social services functions, as defined by section 22(1) of the Children Act 1989.

2.2.7.5. **Category 5:** Children who score below the Automatic Qualifying Score, but above the required Minimum Academic Standard for the waiting list for this school, for this particular year of entry.

2.2.8. **Residency requirement:** The child's home address is the address where they are living on the date of the application. Where parental responsibilities are equally shared, the home address will be considered to be the place where the child sleeps, and spends most of their time, from Monday to Friday. This is the address that will be used to apply the school's oversubscription criteria, such as distance from the school.

2.2.9. **Evidence of Residency required:** Warwickshire Admissions (Local Authority) will request on behalf of the school evidence in support of the application. The Admissions Service will write at the beginning of December 2024 to all parents/carers who have listed the school as a preference, requesting copies of two documents to confirm the home address. Parents/carers will have fifteen working days to provide proof of the home address. The application will be considered as late if appropriate proof is not provided within fifteen working days. The evidence required is one document, which must display the child's home address, from each of the following groups:

2.2.9.1. **Group 1**

- 2.2.9.1.1. Council Tax bill for the current financial year – this document must be supplied if you are the council tax payer, **or**
- 2.2.9.1.2. Housing Benefit letter; **or**
- 2.2.9.1.3. Utility bill (gas, electricity, water) – dated within the last 6 months; **or**
- 2.2.9.1.4. Car Insurance certificate and policy renewal letter – dated within the last 12 months.

2.2.9.2. **Group 2**

- 2.2.9.2.1. All pages of your Child Tax Credit Award Notice for the current financial year; **or**
- 2.2.9.2.2. A Bank account statement in the child's name – eg: Savings Account (dated within the last 6 months); **or**
- 2.2.9.2.3. A letter confirming a medical or dental appointment for the child (dated within the last 6 months); **or**
- 2.2.9.2.4. A prescription/repeat prescription dated within the last three months.

2.2.9.3. Please note that these documents will be retained and not returned. The Local Authority will match each address with the one they have on their database. The Local Authority reserves the right to carry out random checks at any time and this may include an unannounced home visit.

2.2.10. **Moving to a new address:** If the home address changes between applying for a school place and 31 December 2024, Warwickshire Admissions must be provided with proof of the

new address as detailed above. The child must be living at the new address by 31 December 2024. Applicants may also need to produce evidence that the previous home is no longer used by the family – for example proof that the property has been sold or that a rental agreement has ended. This is to show that the new address is not a temporary arrangement purely to secure a school place.

If the home address changes after 31 December 2024 the new address can only be taken into account after National Offer Day on 1 March 2025 and the application will be considered in the same way as a late application.

The school will also check the child's home address at the time of admission. If it is different from the application address then further checks will be carried out. This will include consideration as to whether or not the address used to make an application was temporary and purely to secure a school place.

If a school place is offered based on fraudulent or intentionally misleading information, the offer may be withdrawn, even if the child has started at the school. Those who submit fraudulent or deliberately misleading applications may also be subject to legal proceedings. If it is discovered that the home address is not in Warwickshire, the application will be withdrawn altogether and the family will then have to apply to their own Local Authority.

### 2.3. The Entrance Test

**2.3.1. Consortium of Grammar Schools:** This school is part of a consortium of schools using a common admissions test in September 2024 for entry to Year 7 in September 2025. The consortium includes this school, the five other grammar schools in Warwickshire (including Ashlawn which as a bilateral school offers selective and non-selective places), and the eight grammar schools in Birmingham (these are individual schools but for the purposes of the entrance test are collectively known as 'The Grammar Schools in Birmingham').

Warwickshire County Council's Admissions Service (Warwickshire Admissions) operates the Entrance Test along with The Grammar Schools in Birmingham. Some parents/carers may be considering listing grammar schools in both Warwickshire and Birmingham on their Common Application Form (CAF). As admission to these schools will be determined by the same test, on the same day, it is not possible for students to sit the test more than once. If it is discovered a student has sat the test more than once the score from the earliest test will be used. Parents/carers should be aware that in such situations the application may be considered fraudulent or intentionally misleading and where a place has been offered it may be withdrawn.

Parents/carers whose children sit the test in Warwickshire may request that their raw score is shared with The Grammar Schools in Birmingham. This can be done as part of the registration process. Parents/carers should only request this if they are considering applying for a place in a Birmingham grammar school.

Parents/carers whose children sit the test in Birmingham may request that their raw score is shared with Warwickshire Admissions. This can be done as part of the registration process. Parents/carers should only request this if they are considering applying for a place in a Warwickshire grammar school (including a selective place at Ashlawn School).

In either of these cases parents/carers will receive two sets of results. One set of results will be received from Warwickshire Admissions. A further set of results will be received from The Grammar Schools in Birmingham.

Where a parent/carer indicates **after** the registration closing date of 16:00pm on Friday 28th June 2024 that they wish their child's test score to be shared with either Warwickshire Admissions or The Grammar Schools in Birmingham, their registration will be considered late for the region they wish their results to be shared with.

**2.3.2. Registering for the test:** Parents/carers living in Warwickshire should register for the test with Warwickshire Admissions. Parents/carers living in Birmingham should register for the test with The Grammar Schools in Birmingham. Parents/carers living in other authorities should register for the test in the region in which they would most like their child to attend a school.

Parents/carers will be able to register for the test from Tuesday 7th May 2024. It is recommended that parents/carers do this online. Paper copies of the registration form will also be available from Warwickshire Admissions or The Grammar Schools in Birmingham. If you are posting a registration form you are strongly advised to take steps to ensure your form is received prior to the deadline, such as recorded delivery. Please ensure that any recorded delivery receipt has the postcode printed electronically on it.

Parents/carers should be aware that registering for the 11+ test is not the same as applying for a school place – see the section 'Applications for a School Place' (2.3.7). Parents/carers must submit an application for a place to their home local authority by 31st October 2024. Failure to do so will mean your application is considered late even if your 11+ registration was submitted on-time.

The closing date for registration is **16:00 pm on Friday 28 June 2024**. All registrations will be acknowledged. If you do not receive an acknowledgement within 14 working days you should contact either Warwickshire Admissions or The Grammar Schools in Birmingham (depending to whom you originally submitted your registration form). If you registered your child for the entrance test by the published deadline and you have not received an invitation pack by late August 2024 then you must contact Warwickshire Admissions as a matter of urgency.

In August 2024, 11+ testing session information packs will be sent to parents/carers who have registered their child to sit the Warwickshire 2025 entry 11+ Selection Test by the deadline.

These will include a 'Fit and Well' sheet which must be brought to the test session with a photograph of the child sitting the test. Warwickshire Admissions reserves the right to contact your child's school and to share the photograph with them for the purpose of establishing proof of identity as part of the entrance test process.

Parents/carers registering for the test with The Grammar Schools in Birmingham will receive details of their child's test venue along with acknowledgement of their registration.

If your form is received prior to the closing date but is not fully completed it will be considered as late. If your registration form is received after the closing date it will be

considered as late. If your child is sitting the test in a Warwickshire venue and you arrive at the test session without a photograph of your child which is signed and dated by the Headteacher of your child's school, they will not be able to sit the test on that day and your registration will be considered as late. If you indicate after the registration closing date that you wish your child's test score to be shared with either Warwickshire Admissions or The Grammar Schools in Birmingham, your registration will be considered late for the region you wish your child's results to be shared with.

**2.3.3. The Test:** 11+ testing sessions, to be held both in the morning and afternoon, will be conducted on various dates in September 2024, with each candidate allocated one session to attend. The allocated session will be the decision of the local authority. There will be two papers, each of approximately 50 minutes. The papers will be divided into smaller, individually timed sections, which test verbal ability, numerical ability and nonverbal ability.

For each paper, the children will be given a question booklet which contains the test questions and a separate answer sheet to mark their answers. The answer sheets will be processed electronically and scanned to make a record of each child's answers.

A familiarisation booklet, containing information about the format of the test and some example questions, will be available on the Warwickshire Admissions website and in paper form on request. This will allow children to become familiar with the type of questions likely to be asked and the format of the test booklet and answer sheet, and information about how to write their answers on the answer sheet.

**2.3.4. Special Arrangements:** Parents/carers whose children have a disability and/or require special resources to sit the test must request this in writing by completing a form describing the child's disability and/or extra resources required to sit the test and must also supply detailed medical evidence. Every effort will be made to accommodate disabled students sitting the selection tests. Forms are available from, and must be returned to, either Warwickshire Admissions or The Grammar Schools in Birmingham (depending with whom you are registering for the Entrance Test) by 16:00pm on 28 June 2024. Request forms, and any documentary evidence, received by this deadline will be considered, and parents/carers will be notified of the decision, by the end of July 2024. Request forms received after the stated deadline above may not be considered in time for the main testing sessions, but the child will still be able to sit the 2025 entry 11+ test.

Parents/carers whose children are not able to sit the test on either a Saturday or Sunday for religious reasons must indicate this when registering for the test and supply a supporting letter from their religious leader. These children will be tested on an alternative date.

**2.3.5. Illness:** Parents/carers must inform the Admissions Service, by no later than 11.59pm on the day, if their child was not fit or well enough to attend the allocated 11+ selection test in September.

Proof of the illness/condition must be received by the Admissions Service by the date outlined by the Admissions Service in the testing session information pack. If sufficient evidence is not received by this date, then the registration for the child to sit the 11+ test will be withdrawn. If the family still wishes for the child to sit the Warwickshire 11+ test, then they must submit a new 11+ registration and this will be classed as late.

Children who are unable to sit the test on the main session dates for religious reasons, illness or other evidenced circumstances, will still be classed as on time and will be invited to sit the 11+ test at a later date

**2.3.6. Results:** Data from all students sitting the test will be used to produce standardised scores. Weightings will be applied to the scores achieved in Verbal Reasoning, Non-Verbal Reasoning and Numeracy.

From Friday 18th October 2024 11+ results will be sent to parents/carers of children who sat the Warwickshire 11+ selection test in September 2024. Results will be available online, where the registration was submitted through Warwickshire's online parent portal.

Parents/carers who have either registered with Warwickshire Admissions (or have asked that their child's score be shared with Warwickshire Admissions) will receive the following information from Warwickshire Admissions:

- Your child's total standardised score broken down by performance in Verbal Reasoning, Numeracy, and Non-Verbal Reasoning.
- The Automatic Qualifying Scores and waiting list scores for each Warwickshire grammar school for the previous year. These can be used for comparison purposes but there can be no guarantee that any child, including those scoring above the required score for previous years, will be offered a grammar school place.

Parents/carers who have either registered with The Grammar Schools in Birmingham (or have asked that their child's score be shared with The Grammar Schools in Birmingham) will receive an additional letter showing their child's test score and the minimum score required for entry in the previous year, together with the qualifying score for those schools who have set such a score. Warwickshire's grammar schools and The Grammar Schools in Birmingham may choose to use different weightings. This means that if your child receives two results letters, their total scores could be different.

**2.3.7. Applications for a school place:** Once parents/carers have received their child's test result they must apply for a school place via their home Local Authority (this is the Local Authority to whom you pay your Council Tax). Warwickshire residents can name up to six schools (preferences) on their application form. All local authorities operate an equal preference system and your child will be offered a place at the highest preference possible. What this means is that if you list a grammar school as your first preference but your child does not do well in the entrance test, it will not affect the likelihood of your child being offered a place at any other school you have listed.

## **2.4. Allocation of Places**

**2.4.1.** Once papers have been marked, students are listed in standardised and weighted score order.

**2.4.2. Committee of Reference:** In South Warwickshire the Committee of Reference sets the required Minimum Academic Standard and the Automatic Qualifying Score (AQS) for each school, taking account of the applications for the individual schools and the number of places available. The Committee of Reference is a panel of head teachers and teachers

appointed according to the terms of reference. The Heads of the selective schools in South Warwickshire or their representatives will be members of the Committee. The Committee also reviews the arrangements made for any students with disabilities or special educational needs.

#### **2.4.3. Required Minimum Academic Standard and Automatic Qualifying Score:**

- 2.4.3.1. In determining the Required Minimum Academic Standard and the Automatic Qualifying Score (AQS) for the school, the Committee of Reference will consider the aptitude of the overall cohort, the categories of the over-subscription criteria, and the number of places available for the relevant year of entry. Places will be allocated, in line with the school's published admission number, where the Committee deem the aptitude of those to be allocated places to be commensurate to cohorts previously admitted to the school.
- 2.4.3.2. Above and at the AQS, a child will receive an offer from their highest named preference of selective school (subject to living within the priority circle, not being a late entry or having an offer from a higher preference of school). Those at and above the Required Minimum Academic Standard, but below the AQS, will be placed on the waiting list
- 2.4.3.3. The available places will be offered in accordance with the admission criteria in the first round of offers on National Offer Day, which is **1st March 2025**. Children living outside the priority area will normally only be offered places in the first round if there are insufficient children of the required level of ability living within the priority area. No late applications/registrations will be considered until after 1 March for 2025 entry, in line with the coordinated arrangements.
- 2.4.4. No consideration will be given in the case of twins or triplets where one child has been allocated a place because they scored above the automatic standard but the other(s) was/were below it.
- 2.4.5. **Waiting lists:** After the initial round of offers, made on 1st March 2025, further places may become available – if, for example, parents/carers take up places for their child at another school. These places will be offered from the waiting list, up to the Published Admission Number (PAN) of the school, in line with the reallocation dates as outlined in the coordinated scheme.

The waiting list order will follow the same criteria as outlined in Categories 1 – 5 above, but will also include any applicant who registered late for the 11+ test, or who submitted a late secondary school application.

Any child who is made an offer for a school which was listed lower on their secondary school application than AGS will automatically be added to the waiting list, provided that the child achieved the Required Minimum Academic Standard or above for this school, for this particular year of entry, in the 11+ test.

In accordance with the Admissions Code (2014), waiting lists for entry to year 7 will be held for one term until 31 December 2025. Prior to the waiting list being dissolved on 31 December 2025, any applicant not previously tested will be tested using the 11+ test and

ranked against the other children who have taken the test. Where such a child is already 12 the oldest age weighting will be applied to their score. After 31 December 2025, section 3 below applies.

After 31st December 2025, the School will set tests in English and Mathematics to judge academic suitability against the rest of the cohort. See Section 3 - In-Year Applications for Years 7 to 11.

**2.4.6. Offers:** Offers will be made on 1st March 2025 by the child's home authority as per the coordinated secondary school scheme with neighbouring authorities. Subject to the arrangements of the home authority, parents/carers will be expected to accept the offer within two weeks of the offer being made. A further letter reminding parents/carers will be sent before the child is withdrawn from the offer lists. As well as the offer from their home authority, parents/carers who registered with Warwickshire Admissions will receive an additional letter confirming the child's score, along with the qualifying scores and minimum waiting list scores for each Warwickshire grammar school.

**2.4.7. Appeals:** The parents/carers of all children refused places will be notified that they have a right of appeal through an independent appeal panel.

**2.4.8. Admissions above the Planned Admission Number:** Under the Admissions Code, admission authorities including Alcester Grammar School may admit above their PAN. If they do so, they must notify the Local Authority of their intention. They may also admit above PAN in-year.

**2.4.9. Fair Access Protocol (FAP):** Warwickshire LA has developed a Fair Access Protocol with Warwickshire Headteachers. Alcester Grammar School has adopted the protocol and its provisions are recognised by the school as the admission authority and incorporated into these admission arrangements.

## **2.5. Information and Important Dates for Parents/Carers**

**2.5.1.** From 7th May 2024, information about the application process will be sent directly to parents/carers of children due to transfer to Secondary school in September 2025, and registration opens for Warwickshire 2025 entry 11+ Selection Test – available to residents of any local authority and accessible through Warwickshire's online parent portal.

**2.5.2.** Parents/carers whose children have a disability and/or require special resources to sit the Entrance Test must complete the supplementary registration form, found on the Warwickshire County Council website, by 16:00pm on 28th June 2024– see section 2.3.4 above.

**2.5.3. The closing date** for registering for selection tests for all the selective schools in Warwickshire is 16:00pm on 28th June 2024. Registration after that date will be considered as late. Where a registration for the 11+ test is submitted after the published closing date, the school will give consideration to treat such as on time where exceptional circumstances can be evidenced. This includes, but is not limited to, children who move into, or within, Warwickshire by the local authority's extended application deadline of 31 December 2024.

Late registrations will only be considered after the first round of offers and may not be tested before National Offer Day.

2.5.4. The main testing sessions will take place in September 2024.

2.5.5. **Applications** will be made on the home authority's composite parent/carer application forms as part of the coordinated process with neighbouring authorities. As set out in the Schools Admissions Code, 31 October 2024 is the national closing date for admissions. Applications received after this date will be considered late and will be given a lower priority for places. An exception will be made for children moving into the priority area where independent evidence can be provided by 31 December 2024.

### 3. In-Year Applications for Years 7 to 11

- 3.1. Change of School Application forms must be submitted to Warwickshire Admissions, and will be processed on a first-come, first-served basis. If two or more applications for the same year group are received on the same day then a random generator will be used to determine which application is processed first. Where a child is unsuccessful in gaining a place, a new Change of School Application form should be submitted each term where a parent/carer wishes their child to be considered for a place at the school. Each application will indicate a continued interest for a place, should one become available during that term. For the purposes of this paragraph, the autumn term is deemed to end on 31 December, the spring term on 30 April, and the summer term on 31 August.
- 3.2. Children moving into the area or currently living in the area who have not previously been tested, and who are applying for a place in year 7 prior to the waiting list being dissolved on 31st December 2025, will be tested using the 11+ test and ranked against the other children who have taken the test. Where such a child is already 12 the oldest age weighting will be applied to their score.
- 3.3. Children moving into the area or currently living in the area who have not previously been tested, and who are applying for a place in years 8 - 11, or in year 7 once the waiting list has been dissolved on 31st December 2025, will be required to take tests in English and Mathematics arranged by the school. Parents will be notified within 15 school days of their in-year application being received by the school of the date for the assessment of ability. A place will be offered, subject to availability, if the applicant's performance satisfies the school's Admissions Committee that the pupil's ability is commensurate with that of the cohort into which they are seeking admission.
- 3.4. New applications from children who have already been tested and refused entry as non-qualifiers will generally be considered by taking into account the existing test results. A retest will be used only where there are grounds and evidence to doubt the validity of the original tests in determining the applicant's aptitude. No waiting lists are held by the School after 31st December of Year 7.
- 3.5. Any place offered must be taken up within four school weeks of the offer having been made. In the event of this not happening, the offer is void.
- 3.6. **Appeals** The parents/carers of all children refused places will be notified that they have a right of appeal through an independent appeal panel. For children not qualifying for places the appeal will take account of the compatibility of the child's position in the process. If there are insufficient

applicants reaching the appropriate level, the school does not have to fill all the places. Therefore, the case for prejudice to the efficient education or the efficient use of resources will only be considered once the school is full in the appropriate year group.

#### **4. Admissions to Years 12 and 13:**

##### **4.1. Entry to Year 12 is on the basis of:**

4.1.1. Academic ability demonstrated by achievement at GCSE. Confirmed places in Year 12 can therefore only be allocated following GCSE Results Day in August. To gain entry into the sixth form, students must have achieved at least grade 4 in both GCSE Mathematics and English Language, a minimum of grade 5 in 4 different GCSE subjects (NOT vocational equivalents), and have achieved the specific subject requirements detailed on the school's website. Where students have previously studied abroad, the school's Admission Panel will consider equivalent international qualifications.

4.1.2. Completing the advertised application procedure, detailed on the school's website.

##### **4.2. The maximum capacity of the Sixth Form is 545 students. In the event of oversubscription of places, using criteria in 4.1, places are offered on the following priority basis:**

4.2.1. Any Looked-After or Previously Looked-After Children who meet the Entry Criteria. The school will require evidence of eligibility.

4.2.2. Children who attract the Pupil Premium via eligibility for Free School Meals who meet the Entry Criteria.

4.2.3. Students currently attending Alcester Grammar School

4.2.4. Other applicants by distance from Alcester Grammar School

##### **4.3. For applicants in categories 4.2.1 to 4.2.4 the order of priority will be determined by the straight line distance of the applicant's home address from the school.<sup>6</sup>**

**4.4.** Even if the criteria in 4.1 are met, when a Sixth Form subject group is full a waiting list will be set up for that subject. Students will be ranked using the priorities set out in section 4.2. If students change their mind about a subject choice after the published closing date for applications they go to the bottom of any waiting list. All subjects have a maximum set size and set sizes may change as a result of new circumstances. The school reserves the right not to run subjects which are, in the Governing Board's opinion, not of an economical size. Late applications for Year 12 are kept on a holding file and may be met with offers of places at a later stage if vacancies remain following the initial allocation process.

**4.5.** If, following the application of 4.1 to 4.4, places in the year group remain, the Admissions Panel may consider the remaining subject availability and the most qualified students for those subjects, alongside the overall academic profile of the student and their suitability for A level study. In such circumstances, the panel may decide to admit students who do not meet all criteria in 4.1.1. and 4.1.2. However, if there are insufficient applicants meeting the entry requirements, the school does not have to fill all the places.

---

<sup>6</sup> Distance from home to school will be measured from the address point location coordinate of the home address (as set by Ordnance Survey) to the centroid of the school. The centroid is a predetermined point.

**4.6. Appeals:** All applicants refused places will be notified that they have a right of appeal through an independent appeal panel. For applicants not qualifying for places the appeal will take account of the compatibility of the applicant's position in the process. If there are insufficient applicants meeting the entry requirements, the school does not have to fill all the places. Therefore, the case for prejudice to the efficient education or the efficient use of resources will only be considered once Year 12 is full.

## **5. Transport**

- 5.1. It is strongly recommended that parents/carers firmly establish the cost and availability of transport to the school if it is intended to use a bus service (public or otherwise), before application is made for admission. Further information on Warwickshire's transport policy and application process can be found on the Warwickshire County Council website.

We reserve the right to amend these arrangements at any time to meet any changes in the statutory requirements.
