WHO ARE WE?

AGS Friends was established in Jan 2024 and is a friendly group working on two objectives; to develop effective relationships between school and home, and to raise funds to support the education of all students at AGS. We try to have a bit of fun whilst doing it!

All parents and carers of AGS students and all staff who work here, automatically become members. Our friends (e.g. alumni, local community members, relatives of staff) apply to join.

We hold a meeting every half-term, either at school, or virtually, and all dates and notes from meetings are on our page on school [website](#).

For any further information, or to get in touch, please email ags-friends@alcestergs.com

We are registered as charity number 1208352.

Look forward to seeing you soon!

What's it all about?

We have set a target to raise **£10k this year** to support school's investment in ICT.

That's an average of just under £8 per student

Yes.. it's ambitious...

No.. we're not sure we'll reach it..

but we're going to give it a go

(We're talking the **Go Big or Go Home** approach)

****Let's cut to the chase – this PTFA won't work without your support..**

"I'm up for a bit of that" – buy a cuppa, come to bingo, donate a raffle prize or try the quiz.. you rock..

"not into meetings, but I can make the tea" – volunteer for tea-making, beer serving and ticket selling.. you're a legend

"can I just give you my money?" – enter the new **school lottery** and you've done your bit.. you're fab..
